Early Childhood Teacher

The Cape Ann Waldorf School is seeking experienced, Waldorf trained teachers for our First Grade, Third Grade, Spanish and Early Childhood programs for the 2008-2009 school year. Our healthy, thriving school now in its 22nd year, is a full member of AWSNA. We have 160 children enrolled in nursery through eighth grade with a program that includes physical education, music (chorus, strings, and orchestra) handwork, foreign languages (German and Spanish), and Eurythmy. Our Early Childhood program includes two kindergartens, two nurseries, and a full-time parent/child program.

Our faculty is a diverse, multi-generational group of men and women. We are a mix of both new and experienced teachers. We are committed to faculty support and development and provide ongoing mentoring and regular evaluation. We have an established College with a strong commitment to studying and working out of Anthroposophy. We enjoy strong collaborative relationships among our Faculty, College, Board, and Parents.

We are located in a picturesque area just north of Boston, Massachusetts along the north shore coast. Surrounded by the sea, our school is a ten minute walk to a mile-long sandy beach that looks out toward other historic seaside villages such as Marblehead, Salem, and Gloucester. Although we are primarily a residential area filled with wooded areas and beaches, we are a short commuter train ride to the city of Boston with its world class symphony orchestra, museums, universities and a Christian Community Church. Our faculty compensation package includes a competitive salary with increments for Waldorf teaching experience, full tuition remission for faculty children, medical insurance, disability insurance and a pension plan.

For more information or to apply, please contact Rose Sheehan at (978) 927-8811, or by e-mail at rose.sheehan@verizon.net. We invite you to send a letter of introduction, your resume, a brief biography, and three letters of recommendation (or contact information for three references) to the e-mail address, or to our Teacher Search Committee, attention Rose Sheehan, 668 Hale Street, Beverly Farms, MA 01915, or by fax (978) 927-5237.
