WE DID IT!!!

CAWS Raises \$1,000,000!!!!

In two short months, our community has come together to produce a near-miraculous fundraising feat: \$1,000,000 towards the purchase and initial renovation of our new home at Moraine Farm.

Our heartfelt thanks go out to the Ibrahim El-Hefni Technical Training Institute for partnering with us to reach this milestone in the school's growth. Believing in our mission, Foundation Trustee Suzanne Wright generously offered a matching grant of \$200,000, challenging our community to dig deep in support of our dream.

We have met that challenge! We met it by asking our friends, alumni parents, and grandparents to give. We met it by reaching out to local businesses and institutions, introducing our school and asking for support. And, most importantly, we met it by giving, each and every one of us, as generously as possible.

The list below illustrates the widespread support our current community gave for this project.

Thank you to all our CAWS community, near and far, who worked so hard to help us achieve the Phase 1 goal of our Capital Campaign. Special thanks go out to our Fundraising Committee members, Pam Fantini, Jen Benoit, Lori Etringer, Anita Siljeholm Brewer, and Marilyn Kobus, and their extended team of Jane & Karl Pulkkinen, Janet Parker, Jenny Helmick, Maureen Wrinn, Willo Levin, Kelly Hiselman, Lauren White, Elizabeth Frederick, and Pam Deveau, for leading us through this exciting challenge.

We'll have more information soon on plans for closing, renovating the space, and scheduling a move. There will be grant-writing and related fundraising to do in the future as the school looks at the next phases of our Capital Campaign, but right now it's time to rest, revel in our success, and enjoy a summer well-earned!!!

Summer Story Hour: See You Tuesday Morning!

If you are looking for a lovely way to start your Tuesday mornings in July, check out the Summer Story Hour at Cape Ann Waldorf School. Join other families with young children (suggested ages 3-7) to play, eat a light snack and then experience a puppet show or story told by a Waldorf teacher.

The school store, the Enchanted Caravan, is planning to open following story hour.

Time: Tuesdays in July, 9:30 – 10:30 a.m. See you next week!

Fall Pizza Lunch Could Use Volunteers

Wednesday pizza lunches were a great success, with all proceeds going to CAWS. The effort requires volunteers for next year.

Individuals would sell tickets in the morning and/or pick-up and deliver pizzas before lunch and/or plate the pizza, carrots, etcetera, at CAWS in the kitchen.

Please contact Laura Freysinger at 781-631-6146. Thank you.

For You and the Wee Folk

The Cape Ann Waldorf School Parent & Child program is a long-time, beloved tradition at our school that gives our wee-folk families:

- A place to come together and share parenting experiences and ideas from these early years;
- Notice and share in the wondrous awe and doing of the very young child in a Waldorf early childhood setting with other young children;
- Learn about the healthy and relevant developmental impulse of Waldorf education from these early years and onward;
- Experience a gentle and nourishing Waldorf early childhood rhythm of activities for a parent/caregiver and a young child that can continue at home, again and again and again with the repetition that they love!

We hope to see you and your wee one and others you may know who would be interested to join this nurturing community!
